

IMPORTANT INFORMATION!

As a part of our continuing effort to provide a successful and fresh morning show, we have embraced the new "LESS IS MORE" philosophy of Clear Channel and have restructured our clocks to help you and your radio station reach your goals. While restructuring the breaks so that they flow smoother with each and every hour, we ended up with a bonus. More John Boy & Billy!

Our goal and commitment to you is to launch these new changes the first broadcast week of 2005, (December 27, 2004). Please take a look at the attachments and see what we have come up with.

In synopsis, you will have eleven (11) local minutes per hour and one (1) barter minute per hour, contained in four hourly breaks, Monday through Friday for a total of 12 minutes per hour, Monday through Friday. Saturday will contain nine (9) local minutes per hour and three (3) barter minutes per hour, totaling 12 minutes per hour on Saturdays. We have also completed a Holiday Weekday clock with eleven (11) local minutes per hour and one (1) barter minute per hour, contained in four hourly breaks.
