

On Monday, December 10, 2007 starting with the Live feed at 10:00 PM Pacific/ Tuesday, December 11 at 12:00 AM Central/ 1:00 AM Eastern time, Coast to Coast AM will fire Relay 1 after the network spots at about :10 and :40 past each hour. It's another opportunity for you to identify your radio station within the program with a local I.D. of up to :08-seconds. The current positions for Relay 1 at :29:50 and 59:50 will continue.

If you wish to have George Noory, Ian Punnett and Rollye James voice custom local liners, please e-mail copy to dgalanti@premiereradio.com. We expect a lot of requests initially so we ask that, for now, you limit your copy to a maximum of three liners per host, to rotate.

If you do not plan to take advantage of these new liner positions, please ensure that your automation is programmed to ignore Relay 1 from :06 to :28 and from :34 to :58 minutes past each hour (assuming that you use Relay 1 at the top and bottom of the hour).

If you have any questions please contact our Network Operations Center at 1-800-276-4431.

Regards,

Trevor Oliver
