

For Technical Assistance Call
 Premiere Network Operations Center: (800) 276-4431
 Technical Info: <http://engineering.premiereradio.com>

RLWLINER fires :05-second local liners before network breaks.
 RLWLOCAL fires local breaks.
 :10-second rejoin bumpers follow all breaks.
 Hard outs at 30:00 and 58:50. All other breaks float.
